Internal Security Subcommittee staff, transcript of the testimony of
24 May of [REDACTED]

25X1

25X1 [REDACTED] In response to Mr. Scott's query, I advised that we had
no specific comments on the transcript but that I had advised our
operations people that, as he requested, the Committee will be most
appreciative of any additional information we might obtain through
debriefing or other contact with the individual. I further advised that
it was my understanding that we would not be having any contact with
[REDACTED]

25X1 6. [REDACTED] Returned to Denis McCracken,
House Foreign Affairs Committee staff, transcript of hearings before
the House Foreign Affairs Subcommittee on Europe of 17 June 1962
concerning Captive Nations (Lithuania).

Received from Mrs. McCracken, for our review, stenographic
transcripts of hearings on Captive Nations of 17 June, 24 June and
17 July which will be returned to the Committee as soon as review can
be completed by CA Staff.

25X1 7. [REDACTED] Talked with Mr. Frank Bartimeo, Assistant
General Counsel, Man Power, DOD, concerning his briefing of the
Joint Committee on Atomic Energy staff on Saturday on the results
of Defense's investigation [REDACTED]

25X1

Bartimeo said he had a three-hour session with the Committee staff and
felt fairly certain that they were now satisfied with Defense's action
on this. He said the Committee staff had mentioned that they were
aware of the language contained in the nuclear testing section of SALT II-1a-61.

25X1 8. [REDACTED] In response to his inquiry, I advised
William Saltmarsh, in Senator Saltmarsh's office, that [REDACTED]
had applied with the Agency in 1959 and had been cleared. I advised
Saltmarsh further that we were not in a position to offer [REDACTED] the
GS-7 position for which he had applied but would consider him for
grades in GS-6. [REDACTED] is interested and a decision should be reached
in his case within the next few days. I also advised that at his request
our Personnel Office had been asked to expedite a decision in [REDACTED]
case. Saltmarsh emphasized again that he did not want to influence in
any way our decision as to whether [REDACTED] should be employed.
